**March 2007**

## MTW Training

We will be leaving for Mission Training International's pre-field studies in Colorado from April 1-April 28<sup>th</sup>. The training focuses on Cross Cultural Study, Language Acquisition and Team Building. We anticipate being further prepared to handle the challenges that await our family during our 3 year term in KwaMhlanga, South Africa working with issues surrounding HIV/AIDS, orphaned & vulnerable children and people living in poverty.

## Covenant Seminary

Bryan has made application to Covenant Seminary. He is going through their application process for their Distance Education Program and hopes to begin online classes this summer. Pursuing a Master of Arts in Theological Studies is something Bryan has considered and prayed about for many months. This degree plan offers an emphasis in World Missions and Contemporary Christian Culture, which will allow him to better understand God's plan for using him to minister to the people of South Africa. Classes can be taken online at any time, day or night, and then the lectures can be applied to the "lab" of the mission field throughout the three years that we are on the field.

## Support Raising

We are busy raising our support for our 3 year term in South Africa. We want to thank our supporters for partnering with us in this ministry and we look forward to experiencing and sharing the Lord's work with you that continues in the rural community of KwaMhlanga.

### Financial Needs Remaining

One Time Donations Needed=  
**\$5,000**

Monthly Pledges Needed=  
**\$900**

**We are seeking 5-10 new partners who are able to give \$100-\$200/per month during our families 3 year term.**

## Eat, Drink & Support

On Wednesday, May 2 there will be an Africa Relief Event devoted to raising money to support our family's ministry. The Event will be at **Hudson's on the Bend Restaurant** located at 3509 F.M. 620 N and the restaurant's website is [www.hudsonsonthebend.com](http://www.hudsonsonthebend.com). Call and make a reservation for dinner on Wed. May 2 at (512) 266-1369 and mention that you will be dining to support the McReynolds Family Mission to South Africa. A % of the sales for that night, from the diners who mention the 'Africa Event', will go directly to supporting our family's ministry. Go & Dine!

## Arriving Back in South Africa

Our target date is May 15<sup>th</sup>, 2007. We will continue to aim for this arrival date back to South Africa. While we are at the Mission's Training during the month of April we will get a much better feel for when all our support will be in and whether May 15 is going to be a reachable goal. We want to follow God's timeline and therefore are seeking His will each day. Considering our new baby on the way, we are praying that all our support comes in during April so that we can do our best to focus on the impending pregnancy while at the same time preparing our belongings for our departure to life in South Africa. God knows all the details.

## Prayer Needs

1. For our remaining financial support to be fulfilled.
2. For the international missions training that we will be attending during the month of April.
3. That we will discern God's Will for our arrival date back in South Africa.

## Praise God!

Experiencing the Hand of God in our support raising efforts is an honor and a blessing. We have reached 80% of our budget and we are humbled to see His provision each day in our lives.
